TEDDY TODDLERS
CELEBRATE THE CHILDHOOD

Dear Parents,

A new academic year brings new beginnings, exciting discoveries, and countless opportunities for growth. We are delighted to welcome you and your little ones to Teddy Toddlers Preschool for Academic Year 2026!Whether you are returning to our Teddy Toddlers family or joining us for the very first time, we are grateful for the trust you place in us during these important early years of your child's life. We look forward to creating a warm, joyful, and nurturing environment where every child feels safe, valued, and inspired to learn.

At Teddy Toddlers, we blend the gentle guidance of Montessori methods with a traditional classroom setting, allowing children to embrace learning at their own pace while receiving nurturing support from their teachers.

Our Learning Approach

Individualized Learning

Our teaching approach is tailored to meet the unique needs of every child, allowing them to learn, grow, and develop at their own pace.

Play-Based Learning

We believe that play is the cornerstone of early childhood education. Through purposeful play, children develop creativity, confidence, and essential life skills.

Inquiry-Based Curriculum

Children are encouraged to ask questions, investigate, explore, and discover answers through hands-on experiences and experimentation.

Holistic Development

Our curriculum supports all aspects of a child's growth—physical, social, emotional, cognitive, and creative. We provide a balanced program that integrates art, music, movement, and academics.

In addition to our traditional same-age learning sessions, we are excited to introduce mixed-age time slots into our schedule. During these sessions, children from different age groups will come together for shared activities, fostering collaboration, peer learning, leadership, and a strong sense of community.

Our Timetable

9:00 AM – 10:00 AM

Arrival and Greeting Time, Prayer, Exercise, Yoga, and Meditation
